Preamble

“Nursing Education” is one of the premier academic course. Modern Nursing is not only a profession but the name of dedication and devotion by applying scientific skill. Health Care is incomplete and infact impossible without proper Nursing.

The HFT

Hepatitis Foundation of Tripura, an organisation of most dynamic people of almost all profession. It was established on 28th July 2002. The two decade journey of Foundation

is history of community commitment in Health care and Education. The MISSION of Foundation is “Human resource development through Health Care and Education.”

The HNS

On 1st Oct. 2019, the foundation Founded HFT Institute of Nursing Sciences (HNS) with the MANTRA of “SERVICE, DEDICATION and CARE.”

Since the day of inception HNS is very sincerely educating the students with ethical nursing conception and latest skills of Health Care by highly experienced faculty members.

Students of HNS are learning various “out of the box” health care delivery scientific skill with human and social approach. Number of intellectuals of various fraternity are directly involved in the special academic activities. The Institute started its Nursing academy with basic course of Auxillary Nurse Midwife (ANM) course in 2019.

The eligibility criteria of ANM admission are :

- 1) Female Candidate.
