The Hepatitis Foundation of Tripura (HFT) this morning organised a voluntary blood donation camp in the GBP hospital and AGMC institution. This was done as part of the continuing social service of the Foundation in the crucial health sector. Sources in the HFT said that the donation programme had been attended by the president of HFT and reputed doctor Pradip Bhowmik, medical superintendent of the GBP hospital Dr Shankar Chakraborty, the head of the department (HOD) of medicine Dr Arunava Dasgupta and other doctors and office bearers of the Hepatitis Foundation of Tripura (HFT). Sources said that more than 30 health workers including doctors voluntarily donated blood in the camp.
